Ernnn...

Riley! What's wrong with you?
It's okay now. I'm in control again.

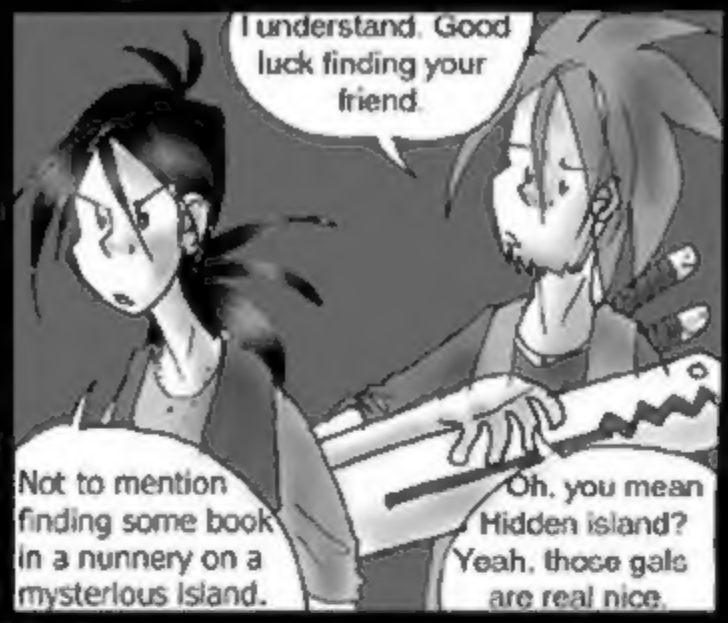
Now you see why sharkmen are so feared. Even a halfsy like me has a little bit of shark.

So Tuff sent you to stop me? That was smart.
He wants you to leave without him. To save yourself.
He does. does he?
Apparently.

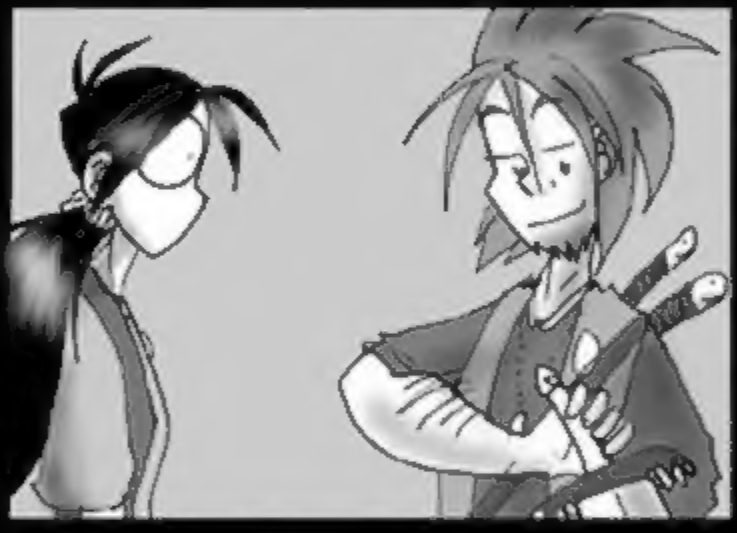
Heh. then he's not as smart as I thought. Like I could leave my brother.
I wish you luck in saving him. You'll need all you can get.

You're going?
I'm sorry, but I have people to find... lives to save.

I'm sorry, but I've got my problems, and you've got yours. I want to help, but I have a responsibility to my friends.



I understand. Good luck finding your friend.
Not to mention finding some book in a nunnery on a mysterious island.
Oh, you mean Hidden Island? Yeah, those gals are real nice.



Wait a minute, you KNOW the people I'm talking about? You KNOW where they are?
Oh yeah! But only Tuff would be able to get you there. He's the only one who remembers the directions.

Why? You need a guide to there? All they have is an old book with lots of names in it.

Y'know, I think your problem just became my problem.
Sweet! My own spunky girl side-kick! This is great!

!?!?
Ow! Don't lift me up that fast!
Oof! You're lucky I can lift you at all. Did you eat cannonballs for breakfast?

What!? Credenza! Riley!
Tuff!

We were just passing by and thought you might want a hand getting out of that jail cell.
Oof!

What are you two doing here!? I told you to leave me! Can't you listen to me JUST ONCE?
You're welcome.
Your brother wouldn't leave you, and neither can I, in good conscience.

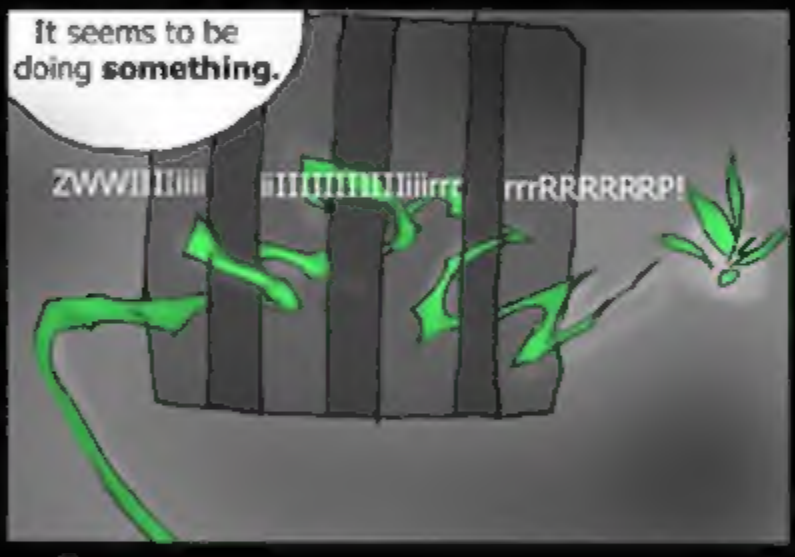
Now, how do we get you out of there? These bars feel pretty sturdy. Got anything Riley?
Try my sword. Maybe it can loosen the bars.

BANG!
CLANG
SCRAPE!
VSSSha
VSSHha
SMASH
SMASH
MEOW!
Quit it! Cut it out! Don't wake up the whole city!
Sorry!

This is no good. The sword didn't budge the bars. With all that noise someone's bound to find us here.
Spine... breaking.

How can I do this? I need help.
I need some way to break down the bars.

FLASH!



It seems to be doing **something.**
ZWWIIIIIII
IIIIII

Huh... I didn't know that you could smash through iron bars with your bare fist.
Ummm... Neither did I. I'm not sure how that happened.

Does my necklace have some kind of power over my own strength?

Meep
Stop punching the wall! We've already made enough noise.
STOP MOVING!

THUMP!

Hey! What's going on out there!?

The prisoner escaped!

We have to get out of the city!
That may be harder to do then we thought...
DOGS!

SNARL!

AAAAUUUGGG!
ORO!
ORO!
ORO!
ORO!

Hurry! Down this alley!

But there's a wall!
Wall? No problem!

SWOOSH!

POOF!
Ow!

Sorry. I hope the landing wasn't too bad.
Grunt!

ORO!
ORO!
ORO!

C'mon! Let's get out of here.

How do we get out of this city? Do you have a plan.
ORO!
ORO!
GRRR!
ORO!
SnaRL!
ORO!
ORO
ORo
OROo!
Well, out by the bay we have..
SQUISH
Ewww, I think I stepped in something.

What on earth is THAT thing!? It feels like I stepped in cold water.

Well, it's like no animal I've ever seen. Maybe it's a spirit or a demon.
GUYS! Can we go now?
Hold on now. I found a gross thing. and I need to poke it.

We need to GO! This place's smell gives me the creeps
Has anyone else noticed the dogs have stopped barking?

There's something WRONG here. we need to GO!
Look. it's just a squidgy little gunk ball. and it's dead! It's not going to hurt us.
Umm... guys?

I think it had friends.

What are these things?
Whatever they are, they were not here just a minute ago...
These don't look like any of Raven's minions. This is a new threat.
Tuff. take your swords!
SNATCH
Got 'em!
SHING!
How many are there?
Too many.
Maybe they don't want a fight.
SKRIIIIII!
